Alumni Basketball

The Alumni Basketball Game was held on Wednesday November 10th. The game was an exciting and close one! Cleveland's own Varsity Basketball team held a lead most of the game but ended up loosing to the last minute exploding Alumni. The final score was Alumni 75 and Cleveland 73, losing by only one basket. The Alumni consisted of Eric Maiden, Dave Wogahn, Bill Sweeney, Jay Silverman, Tom Petruk, Pat Fisher, Jack Olsen, Mark Johnston, Dave Pierce, Bill Marvin and Bob Zatorski. Cleveland's own Varsity players were Phil Kelton, John Durso, Rufus Wade, Dennis Clay, Donn Disney, Mark Sneddon, Robert Reel, Darrel Tong, Steve Quam, and Don Thompson. The Alumni's two highest scorers were Jack Olsen # 24 with 18 points and Eric Maiden # 21 with 12 points. Cleveland's were Dennis Clay # 21 with 17 points and Phil Kelton # 35 with 18 points.

Included among many of their activities, Cleveland's Drama Department participated in the Annual Drama Festival, entering all of its seven events. Three Cavaliers reached the semi-finals: Bob Anderson in Individual Pantomime, Ginger Ballard, Tedi Forest, Jan Sherman, and Jeff Woodbury in the Serious Scene, Carla Norstrand, Willie Davis, Melinda Klepner, and Tom Kanhel in the Group Special category acting out Tennessee Williams' "The Mutilated". Bob Anderson placed second and received a \$200 scholarship for his performance. Individual as well as group talent have provided Cleveland fans with many unforgettable moments of entertainment.

Fusions of Wonder

J. Anderson

Yes, that thirst for the bizarre present in every Cavalier surfaced once again this fall. Temporarily quenching that thirst was the traditional Spirit Week. A week of mind-boggling anticipation, and the jubilant shedding of one's inhibitions. Among the activities involved were the refrigerator box race, the "two people blindfolded, tied with crepe paper diagonally across the quad" race, broom hockey, the Varsity vs. Alumni Basketball game, and the infamous wheelbarrow race. Needless to say, enjoyment peaked, and insanity reached a new high!

Sue Petruk
1st Princess

The full moon brilliantly shone over Verity Field that crisp night of November 5th. As it beamed down upon the five nervous beauties, each clutched the arm of her escort and wondered what the evening held in store. They were not alone, for the stands were full of cheering cavaliers and former cavaliers who all felt the tension of the evening. As the anxiety mounted, Howard Borenstein and Sandy Farina reached for the first envelope and announced Fourth Princess: Carrie Stanfield, escorted by Clint Archambault. The second envelope revealed Melanie Edwards as the Third Princess, with Tom Furlong right along side her. Suspense filled the air as the contents of the third envelope revealed Jeri Teaff Second Princess, escorted by Gary Custer. With only the one envelope remaining, the stands grew silent. The two girls' hearts raced as their grip on their escorts' arm became tighter and tighter.

When the announcement was made, the crowd screamed their approval as Sue Petruk, escorted by Craig Freeman, was crowned First Princess, and Donna Tellez momentarily abandoned the arm of Larry Gonzales for the arms of her predecessor Rosanna Chavez.

Cleveland is proud to be part of the Youth For Understanding foreign exchange student program. Four of the nicest people are here at Cleveland representing their own countries. They are here basically to experience another way of living and to learn more about the American lifestyle.

These students have easily adjusted to Cavalier life. We, the yearbook staff, feel we speak for all of Cleveland's student body in wishing each one of them good luck in life, and all the happiness and laughter in the world.

After the Fall

The Cavalier Drama Department performed their annual fall play on the nights of December 10th and 11th. Cavalier actors and actresses dramatized Author Miller's "After the Fall" under the direction of Miss Victoria Francis.

The audience's attention was captured by Clint Archambault's excellent portrayal of the play's main character Quentin. Spotlights accented the performances of three other key participants; Denise Chastain as Holga, Carla Norstrand as Louise, and Melinda Klepner as Maggie.

Pie Eating Contest Takes the Cake

Cleveland survived the usually apathetic attitudes of the Class of '76, only to be thrown upon the mercy of the most radical seniors Cleveland has seen in a long time - those of '77.

"Senior Spirit Week" this year included activities such as three-legged races, a pie-eating contest, water-balloon wars. Director of Spirit, Dave Bueno, remained safe only through the three-legged races and the lifesaver relays.

Senior Spirit Commences

The annual senior spirit frenzy was exposed once again as the Cavaliers tried to prove that three legs are better than four. Participants fumbled in pairs across the quad, some maintaining a little coordination, others losing all and ending up face down on the ground

Included among Cleveland's more obscure activities are the Halloween Eve Football Game and the United Crusade Award Luncheon. The thirty-six members of Mr. Giacomazzi's fourth period class were the stars with a grand total of \$85.78, or 238% in donations

Australians Play It Too!

Early in January an Australian basketball team made Cleveland High School one of their stops during their tour of the U.S. Cavalier basketball players offered their homes for the five days that the Australians were here. On the night of January 5th, the Australians showed Cleveland fans some basketball-Australian style!

Basketball may be basketball world round, but our Cavaliers played a tougher game, defeating the Australians 69 pts. to 34 pts. Apparently, to win a basketball game, you need more than just a cute accent!

Fall Awards Concert '77

January 20 was the big night for the Cavalier band and choir. Playing and singing their best, the 1977 Winter Concert exposed the extent of Cavalier talent. After the concert, awards were given to a few very talented individuals in the band. The John Phillip Sousa Band Award was given to Phil Kelton and Tammy Lipps, and the David Vann Memorial Award was given to Paul Chapman and Tammy Lipps. Afterwards awards were given to Wayne Morton, David Ludgman, Scott Whitney and Mark Peotter.

Cleveland High: c/o Spirit Week

Cleveland's student body finally had the chance to see senior Cavaliers as they've always wanted to boxed up! During that insane period of time, known as Spirit Week, seniors were able to let their inhibitions run wild and raced blindly over the senior quad in refrigerator boxes. It was the first refrigerator box race held here at Cleveland and it was a great success! With relay teams of four, two at each end of the quad, the crazy contestants were to put the box over them, one at a time, and run to the other end of the quad to switch with the person waiting. With these people running all over the quad in different directions they ran into each other often with crazy results

CHS Student Cabinet

Miller High . . .

and the sweet . . .

taste of victory!!

Cleveland, a school known this year for its athletic accomplishments, went down not too gloriously in a wheelchair basketball game against our neighbors at Miller High. The leaders of our school, Student Cabinet, lost to the Miller team 24-10. The activity was part of a Cabinet planned Spirit Week and had a very good turnout.

*Spirit

Cleveland faculty overpowered Cavalier students in the annual "Faculty vs. Student Body Basketball Game." Mr. Sanders, the big man around campus and someone we all look up to, led the faculty. The students were defeated 32-24 in the end. Ah! You're definitely as young as you feel!

The L.A. Philharmonic

Cleveland High was honored this year with both the presence of the L.A. Philharmonic and twenty bus loads of elementary children. Amazingly enough, the organization and enjoyment of all reached a new peak. Needless to say, congratulations are in order to those involved.

Black History Assembly

The Black History assembly this year was even more successful than the last. The Ashanti chose "Moving On Up" as the assembly's theme and dedicated it all to Harriet Tubman, leader of the underground railroad and a member of the Ashanti tribe. The entertainment included skits, a fashion show, poetry, singing, and dancing of various styles

Ephebians

The Ephebian Society is a civic betterment and service organization. Ephebians are selected on the basis of outstanding character, leadership ability, high scholastic achievement and demonstrated service. The Society's major purposes are to focus the attention of its members upon matters of civic and community leadership, improvement and services, and to inform and encourage the membership to actively participate along these lines.

One student from each forty, or approximately 2% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a 'B' average throughout his senior high school years.

Bank of America Zone Candidates

David Schlom
Fine Arts

The Les Mémoires Staff is proud to present Cleveland High School's four Bank of America Achievement Award Candidates. The purpose of this award is to recognize and to honor the outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state; the state is divided into nine geographical divisions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other programs. The nine divisions are divided into zone areas. Cleveland is a member of the West Valley Zone.

The selection of certificate and plaque winners is made by the faculty of the school with the guidance and approval of the principal. The four plaque winners are pictured here and the twelve certificate winners are as follows: Art; Daniel Nernberg, Drama; Pamela Bentley, Music; Philip Keen, English; Margaret McLean, Foreign Languages; Joyce Ashley, Social Studies; Shelly Beamer, Laboratory Science; John Sullivan, Mathematics; John Sensible, Agriculture; Jonathon Giddings, Business; Kerri Korcker, Home Economics; Lori Alexander, Trades & Industrial; Shawn Mulcahey.

William A. Farmer Service Award

Jeffery Clark

The William A. Farmer awards were originated to recognize two Senior Students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguishes these individuals from Ephebian since the only grade requirement is a "C" average. The award was named in honor of Cleveland's first principal and is given at the awards presentation during Family Night.

A black and white photograph of a person walking away from the camera down a long, empty train corridor. The person is on the left side of the frame, walking towards a set of double doors at the far end of the car. The corridor is lined with windows on both sides, and the floor is polished. The lighting is soft, and the overall mood is contemplative.

*Today we'll say good-bye
to all our yesterdays
We've grown with time
and learned of life
Time passes by so quickly
today is already tomorrow
From this day on our lives
will change in every way
Today we have visions of the days gone by
and dreams of the days yet to come*

Varsity Football

NON-LEAGUE

The Cavalier's first game of the 1976 football season was a 1 point thriller, that showed no indication what the future would bring Cleveland hung on to a narrow 14-13 victory in the closing seconds of the game against the Braves of Birmingham. Cleveland 28, Venice 20 was a misleading score. The Cavaliers were in total control of the game, Venice scored on careless Cavalier mistakes.

Cleveland showed vast offensive improvement and showed promise for the tough road ahead. In the 3rd game of the season the Cavaliers defeated the Kennedy Cougars 28-7. The game was sloppily played with many turnovers.

Cleveland's offense took advantage of Kennedy's mistakes. While the tough Cavalier defense turned away the Cougars, and lost a chance at a shutout with a deep scoring pass, Cleveland's offense showed well balanced scoring by passing and running. In the last non-league game of the season Cleveland's offense exploded for 530 total yards with 417 yards on the ground.

Earlier in the week the coaching staff made a big change. Moving Full back Tim Brown to tailback and Dave Smith from tailback to wingback. This decision was never second guessed and improved the offense tremendously because Cleveland uses the wingback as an all purpose position.

The final score of the game was 42-13 and Van Nuys scored on 2 deep passes to escape a shutout. Even though the Cavalier defense played well enough to get a shut out. The offensive line had a great effort by making big holes for the running backs. Thus the Cavaliers finished the pre-season unbeaten and seemed ready for the tough league schedule.

LEAGUE

In the first league game the Cavaliers tested their unbeaten record against the Conquistadors of El Camino. The Cavaliers turned back El Camino 20-12.

In this contest, tailback Tim Brown again ran impressively. Quarterback Darin Erickson threw a 41 yard passing strike to wingback Dave Smith.

The following week the Canoga Park Hunters tried their luck against the momentous Cleveland football team. But the Cavaliers extended their winning streak with a 35-10 victory. The Hunters received an early break, when the Cavaliers lost a fumble close to their own goal line. But by a total defensive team effort Canoga had to settle for a field goal. Canoga's other touchdown came on a blocked punt.

So the Cavalier defense were denied the much coveted shutout over which they had no control. But when the offense scores 35 points it can afford to make a few mistakes. One highlight of the game was a 91 yard kickoff return for a touchdown by Dave Smith. The Cavaliers defeated Reseda 40-6 in front of a homecoming crowd. The offensive line of Hugo Garcia, Tom Bolewski, Mark Armstrong, Bob Denton, Tom Smith and Don Hallam constantly made huge holes for Jim Brown and company to run through. The defense played sound football, but again fell short of a shutout by a single touchdown.

Cleveland brought it's 7-0 record to Chatsworth High to test the much talked about Chancellors. Thus far in the season critics complained that the Cavaliers hadn't played a good football team yet. But Cleveland proved to be superior by beating Chatsworth 34-8. Darin Erickson and Don Jorgens teamed up throughout the night with fine passes and some great catches. Jim Brown again proved excellent with his running and he consistently leads the city in rushing. The Chancellors barely escaped a shutout against a fired up Cavalier defense.

The league final against Taft was to determine the League Champ. The Cavaliers ended league play with a perfect 9-0 season by defeating the Toreadors 36-20. Cleveland's first undefeated and untied regular season. Tim Brown rushed for 125 yards to put him over the 100 yard mark for the season, and scored 3 touchdowns. Dave Smith scored the 1st touchdown with a 61 yard reverse on the 4th play of the game. The other touchdown was an 8 yard pass from Erickson to tight end Don Hallam.

PLAYOFFS

Cleveland ranked 3rd in the city, started the playoffs against Granada, and advanced by defeating them 46-20. The Cavaliers scored 4 out of the first five times they had the ball. Cleveland's defense held the Highlanders to 69 yard total offense in the first half. Granada scored their touchdowns with some fine passing. Cleveland's next playoff foe was the always tough Carson Colts.

The Cavaliers were confident and were looking for revenge of last year's game. The Cavalier team peaked at this point of the season and played their best game in defeating Carson 33-12. Cleveland took advantage of a fumble and drove 37 yards for the first touchdown. The Cavalier defense led by linebackers Paul Romero, Tom Bell and Reggie Blockman and defensive ends Sam Mendoza and Vic Rohrback played tough defense and forced the Colts to a bad snap from center on a punt, which resulted in a Cavalier first and goal on the 2 yard line. Dave Smith scored the turning point touchdown with pure effort by turning an 8 yard pass into a touchdown. Tim Brown and Darin Erickson both added touchdowns after a long drive down the field to cap the scoring.

Palisades 11-0 versus Cleveland 11-0 the battle of the unbeaten. Pali eliminated Cleveland in the 1st round of the 1974 season. But not this one, as the Cavaliers rallied to defeat Pali 28-21 in the closing seconds.

It was the most exciting game ever. Pali came out overconfident before the game started and jumped out to an early lead.

Cleveland was down but never did as they went crazy in the final quarter. Running for 10 yards a play Tim Brown did this 8 times in a row. Finally with a minute left Dave Smith scored the final touchdown on a reverse that hadn't worked all night. So Cleveland for the first time was in the Los Angeles City Finals at the Memorial Coliseum.

In the City Championship game the score never resembled the game. Those viewing the game saw the Cavaliers move down the field at will but couldn't score. Tim Brown gained over 100 yards rushing and over 1500 during the whole season. So it was to be that the Cavaliers weren't going to win City Banning being the only blemish of a beautiful season.

Junior Varsity Football 1976

This year's J.V. football team did not fare as well in league competition as they have done in the last two years.

The team once again was lead by coach Bill Long and his assistant Ed Savastits. There were only three returning lettermen; Howard Whitney, Jim Alberico, and Dwaine Beardin. The sophomore standouts were Tom Croell and John Dugan. Steve Savastits, a tenth grader, received the Most Valuable Runningback Award. All of these players should be of some help to the Varsity team next year, since the team is made up of all sophomores and juniors.

Bee Football 1976

The Bees had a disappointing season, recordwise. They had a few bad breaks at the beginning with several preseason injuries. Every game was close. Some of the key offensive players were Ken Hill, Tom Smith, and Gil Rosales. The defense was strengthened by Kevin Dixon and Manny Zuniga. Mike Houston played well on both offense and defense. With a little luck, the Bees would have had a better record.

The 1977 Varsity basketball team started out the season slow, but finished strong winning the West Valley League Championship. They won their last seven games including one playoff game before losing to the city's second ranked team Crenshaw by three points. The Cavaliers finished the season with some impressive statistics. Rufus Wade averaged over 16 points, and 19 rebounds per game. Donn Disney scored over 15 points a game and led in assists. John Dursio also scored better than 15 points and led the team with over 12 rebounds a game. Dennis Clay one of two juniors on the starting team, the other being Rufus Wade gives us high hopes for next year's team. This year Clay equaled Dursio's scoring production and helped rebounding with his ability as a leaper. Darrel Long led the team in steals and averaged 7 points a game. The subs contributed to the outcome of many games. They were Donald Thompson, Robert Reel, Phil Kelton, Steve Quam, Mark Sneddon and Danny Ross. All in all their season was very satisfying.

The 1977 Varsity Baseball team has as much talent as any team in Cavalier history. This year's team returns 7 out of 9 starters. Returning catcher Paul Romero is a three year starter, was 1st team All-league, batting champ for the second year in a row, and last year's Co-Most Valuable Player. Danny Bounds was a 1st team All-league pitcher, and last year's Co-Most Valuable Player. Another returning player Dave Smith was a 2nd team All-league infielder. Tom Bell has the duty of 3rd base for the 2nd year in a row and should be a prominent player this

year. Shawn Toerner, a transfer from Notre Dame High School will be the lead-off hitter and 2nd baseman. His hitting should be a key to the success of the team. Center fielder Don Jorgens, another 2nd year player should be an inspiration to the team. Bob Moran and Allen Smith are the starting Left-fielder and Right fielder. They round out a good defensive outfield and should get their share of hits this year. Wayne Redburn will be playing 1st base when he's not pitching. If the team plays its kind of baseball it should be a league and city contender

Track

The 1977 Varsity Track Team had proved itself to be as spectacular as any team ever. They have yet to be outrun, winning the Canoga Relays and defeating Granada Hills and Monroe, two Mid-Valley favorites. In early league meets, the Cavaliers outdistanced El Camino and Canoga Park. With the athletes on the team, the Cavaliers should coast through the rest of league with Chatsworth being the only hurdle, if all our runners compete.

Our 440 relay team consists of Reggie Blockman, Tim Brown, Walt Corley, and anchorman Gary Moschin. These runners also run in other events: the 100, 200, 440, and also the hurdles. John Durso runs the 440 plus one leg of the mile relay. Ben Hutcherson leads in the shot put along with sophomore Steve Stavastis and junior Mitch Smith. Don Rose long jumps and triple jumps. Darrel Tong triple jumps and high jumps along with Dave Mazor and Tony Talbot. Talbot also pole vaults along with Ed Anders and Eric Polzein. Dave Long has placed high in the hurdles. Coach Jim Cromwell and Coach Tom Hansen have quite a team to work with this year and our Cavaliers should finish high in the city.

Defending League Champions

Bob Hamilton and Bret Yaple-two returning performers from the 1976 Championship team

As the defending league champions of 1976, the 1977 gymnastics team looks strong with returning all around performers Bret Yaple, Bob Hamilton, and John Mann, who are also the high scorers for this year. Manuel Reed, another returning performer look strong in the mat exercises. All together, our 1977 team looks like it has a promising season this spring

The above picture depicts a handful of loyal, trustworthy seniors. These people have put together all of the senior activities, including the Prom. It takes a lot of hard work and effort to keep things running smoothly here at Grover's Corners and these young citizens of America should not be overlooked. Under the supervision of Mr. Pierce, President Sue Brees has accomplished all of her final goals with this group and this year's senior class. Remember, Today's seniors are Tomorrow's leaders.

The House of Representatives is an organization composed of a pupil from each second period class who goes to meet with all the other representatives once a week to discuss school policies and upcoming events. With all the information they gather in the meeting, they report back to class and discuss what was said. It is a very useful program because it gives each class an in depth look at the backbone of our school, and helps to bring up new and better ideas for the upcoming years.

Extra! Extra! Read all about it! The 1977 Le Sabre staff has put together one of the school's best year of newspapers. They have provided our students with very good information of what's going on in and around our school. The staff is supervised by Mr. Hyde who keeps the students running around finding out what new topics are in debate or topics that are in the news. The students themselves get a better outlook at the different situations in the world, and some students look at this class as an opportunity for a job in the near future as a reporter or broadcaster.

Ashanti

The Ashanti tribe of Africa had had its endless fight for freedom. Being brought to the new continent in the 1600's, they were frightened and sickened of their new home. Time and time again they tried to escape, to flee from their horrible life, to stumble upon some new freedom that would lead their people to an equal salvation. That was the goal of the slaves of the Ashanti tribe. Here at Cleveland we have a club entitled the "Ashanti." This consists of a handful of black students who organize drives and activities. Their main event is the Black History show which they put on during Feb. They had numerous skits and plays and a fashion show depicting the styles of the 70's. We would like to thank them and wish them good luck in the future.

Thespians

This year's Thespian department has done an outstanding job of performing many different varieties of skits, plays and events. They entered the annual dance contest in which they danced for 8 hrs. straight... those who lasted, that is. Cleveland is proud to congratulate Miss Francis for her unique way of teaching these dramatic skills and raising such promising figures in the art department as; Clint Archambault, Carla Norstrand, Bob Anderson, Melinda Klepner, and many others. For those who make it, "Welcome to Hollywood."

Hospital Occupations is a two semester class designed to give the students first hand knowledge and background in the health care field. They do more than you would expect them to be capable of at this point of first year background. The supervisor, Mrs. Brann, is a Registered Nurse and she makes sure that all the help that's needed is where it should be when it should be. These students have truly the most in depth look at the people and the things that need taken proper care and attention of.

The Childhood Education Aide Class gives the high school students vocational training in the care and proper attention that is necessary to the education of children before their first year of school. They spend time in nursery schools and private schools working with the children and learning themselves about what life has in store for children. After their nine month course, they are ready to handle a job in the field of childhood education. They are doing a very big job by helping out tomorrow's young adults. Their efforts are well accepted and well appreciated.

Drill Team Rah!!

"Drill Team Rah! You're alright ... you're out of sight ... so let's fight go fight fight go fight win" ALRIGHT!!!!" Hmm? Bet you can't guess what that has been year after year. It's the Drill Team theme! That super spirited bunch of girls was at every game, smiling and yelling their heads off! But who's to question them? After all, they are the one - the only ... Cavalier Drill Team of the 1976-77 football season! They're a great group of girls with school spirit you wouldn't believe. Whoever said ladies are to be seen and not heard?

Our Great Leaders

In the past year here at Cleveland High School we were honored to have great leaders like these fine people. These people were always there when we needed them, and gladly helped in every crisis. They could be seen around campus talking with all the students. With great leaders like these always around with their cheery smiles and helpfulness, the Cleveland High School Student Body can always rest easy that their problems will be solved

Mr. Raymond Todd

Director of Athletics

In keeping with our fine staff we must truly thank these people for their dedicated service to Cleveland High School. We all appreciate all of the great things they do for us.

The days of our life
we will remember
and those filled with simple pleasure.
Sunny days with lots
of happy faces;
quiet days spent at favorite places.
Crazy days when we
were young and free
wondering what we'd grow up to be.
School days spent finding
out new ways
and dreaming of the future days.
Yes, these are the days we
will always remember
and will forever treasure.

Steve,
Next year you'll be
working instead of school.
That sound great but you'll
probably feel the same way
about work then at school.
Well if you ever need any
kind of help let me know.
